

New York, 21-23 September 2005

**ACTIVITIES UNDERTAKEN BY SIGNATORY AND
RATIFYING STATES UNDER MEASURE (k) OF THE
FINAL DECLARATION OF THE 2003 CONFERENCE ON
FACILITATING THE ENTRY INTO FORCE OF THE CTBT
IN THE PERIOD SEPTEMBER 2003 – SEPTEMBER 2005**

The present document has been prepared pursuant to measure (k) of the Final Declaration of the 2003 Conference on Facilitating the Entry into Force of the Comprehensive Nuclear-Test-Ban Treaty, which requested the Provisional Technical Secretariat of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization “to act as a ‘focal point’ where information about activities undertaken by ratifiers and signatories is collected in order to assist in promoting the entry into force of the Treaty”. The document consists of two parts: Part I, Activities Listed According to Selected State and Forum; and Part II, Activities Listed According to State Taking Action. It includes activities that have been completed (i.e. that are not ongoing or planned) and that were aimed at promoting the entry into force of the Treaty.

Part I. Activities Listed According to Selected State and Forum

1. Bilateral Level			
1.1. Annex 2 States			
Selected State	Date	Activities and Context	States That Have Undertaken Activities
<i>1.1(a). Signatory States</i>			
China	2003-2005	Conduct of outreach activities in order to promote the CTBT and encourage its ratification by China.	Australia, Austria, Finland, Germany, Japan, Norway, Russian Federation and Ukraine.

Japan (cont.)		<p>(5) A Joint Ministerial Statement was issued at a Japan–Viet Nam foreign ministerial meeting held in Hanoi (where Japan reconfirmed with Viet Nam that it will complete, as soon as possible, its domestic procedures necessary to ratify the Treaty) (July 2004);</p> <p>(6) In the lead-up to the 2005 NPT Review Conference, Japan’s Minister of Foreign Affairs sent a letter to Viet Nam, urging early ratification of the Treaty (April 2005).</p>	
	2004	Japan’s Permanent Representative to the CTBTO Preparatory Commission, in his capacity as the Chairperson of the Commission for 2004, made every effort to achieve the early entry into force of the CTBT.	
	April 2005	In the lead-up to the 2005 NPT Review Conference, Japan’s Minister of Foreign Affairs sent a letter to the 11 States whose ratification is still required for the Treaty to enter into force.	
Netherlands	September 2004 – April 2005	The Article XIV Conference Special Representative was appointed to promote the entry into force of the CTBT. In the reporting period, he visited the following Annex 2 States: China, Pakistan and Viet Nam.	The role of the Article XIV Conference Special Representative is to provide States Signatories and non-signatories with information on the significance of the Treaty in the wider context of nuclear arms control, disarmament and non-proliferation, with a view to promoting the early entry into force of the CTBT.
Norway	September 2003 – July 2005	Norway, wherever appropriate, included the CTBT in political bilateral consultations with Annex 2 States.	
		Norway contributed with voluntary funds to outreach activities which have benefited Annex 2 States such as Egypt and Viet Nam.	
Russian Federation	September 2003 – May 2005	The Russian Federation carried out various démarches in the capitals of the relevant States listed in Annex 2 to the Treaty , with a view to promoting the early entry into force of the CTBT.	Information on the outcome of those démarches was made available to the Article XIV Conference Special Representative.
Ukraine	September 2003 – May 2005	Ukraine maintained regular contacts with Annex 2 States that had yet to ratify the CTBT. During relevant meetings, Ukraine seized every opportunity to stress the importance of the Treaty’s early entry into force and ratification by those States.

<i>1(a). Activities Relating to Annex 2 States</i>			
United Kingdom	23 June 2004	Contacts were made with Mr Wang Ni, Deputy-Head of the Nuclear Section, Ministry of Foreign Affairs of China , within the context of the Article XIV Conference Special Representative's activities.	Mr Wang confirmed the continuing Chinese support for the CTBT. Currently, consultations with experts and think tanks are under way.
	24 June 2004	Within the context of the Article XIV Conference Special Representative's activities, contacts were made with Mr Srivastava and Mr Kurshid, respectively Deputy Secretary of Disarmament and International Security Affairs and Senior Member of the Congress Party of India .	Both Mr Srivastava and Mr Kurshid gave their assurance that India will not constitute an obstacle to the Treaty and will continue to maintain its moratorium on test explosions.
	30 June 2004	Mr Rolliansyah Soemirat of International Security and Disarmament Affairs, Ministry of Foreign Affairs of Indonesia , was contacted within the framework of the Article XIV Conference Special Representative's activities.	Though no timetable for ratification could be provided, it was reported that there has been progress in the preparation of legislation for ratification.
	9 July 2004	Within the context of the Article XIV Conference Special Representative's activities, a meeting was held with Prof. Vuong Huu Tan, Chairman, Viet Nam Atomic Energy Commission.	A National Steering Committee was set up to coordinate the ratification process in Viet Nam.
	14 July 2004	Within the context of the Article XIV Conference Special Representative's activities, a meeting was held with Mr Nassir Hussein, Director General for Disarmament, Ministry of Foreign Affairs of Pakistan .	Pakistan has no plan to sign at present.

<i>1(b). Activities Relating to Non-Annex-2 States</i>			
Australia	2003-2005	Following the 2003 Article XIV Conference, Australia conducted outreach activities in those non-Annex-2 States (especially those in the South-East Asia, the Pacific and the Far East geographical region , e.g. Thailand) that had yet to sign and/or ratify the Treaty , in order to encourage them to do so.	
	2005	Australia encouraged and assisted Vanuatu in its efforts to ratify the Treaty.	
Austria	2003-2005	In contacts with non-Annex-2 States that had not yet ratified the CTBT , including Armenia (repeatedly), Kyrgyzstan ¹⁸ , Serbia and Montenegro ¹⁹ (repeatedly), Sri Lanka, the Syrian Arab Republic, Thailand and Tunisia ²⁰ , Austria stressed the importance of the early entry into force of the Treaty.	
	13-17 October 2003	In cooperation with the PTS, Austria's National Data Centre organized a technical training programme for 25 seismic and hydroacoustic IMS station operators, including operators from Madagascar and Tunisia .	
Czech Republic	May-June 2005	The Czech Republic made a voluntary contribution to the CTBTO Preparatory Commission of an equivalent of CZK 450 000 (EUR 15 000). The objective of the voluntary contribution was to fund an information visit and a training related meeting for expert representatives from south-east European States (The former Yugoslav Republic of Macedonia and Serbia and Montenegro) and central Asian States (Kyrgyzstan, Tajikistan and Uzbekistan) in order to further promote the Treaty.	The Czech voluntary contribution was used to organize two information visits to the PTS followed by training at the Czech National Data Centre: for expert representatives of The former Yugoslav Republic of Macedonia and Serbia and Montenegro in May 2005, and for experts from Kyrgyzstan, Tajikistan and Uzbekistan in June 2005.
France	September 2003 – May 2005	France maintained regular contacts with those non-Annex-2 States that had yet to ratify the CTBT . In discussions held during such contacts, France at every opportunity reminded those States of the importance France attached to the entry into force of the Treaty.	

¹⁸ Kyrgyzstan ratified the CTBT on 2 October 2003.

¹⁹ Serbia and Montenegro ratified the CTBT on 19 May 2004.

²⁰ Tunisia ratified the CTBT on 23 September 2004.

<i>1(b). Activities Relating to Non-Annex-2 States</i>			
Germany	September 2003 – July 2005	Germany maintained contacts with those non-Annex-2 States that had yet to ratify the CTBT and, in discussions held during such contacts, reminded those States of the importance it attached to an early entry into force of the CTBT.	
Japan	September 2003 – May 2005	Japan encouraged States that had not yet ratified the CTBT to do so through, inter alia, the provision of technical assistance in the field of earthquake monitoring technology for the establishment of the International Monitoring System (IMS).	
Netherlands	2004	The Netherlands undertook, during the period of its EU Presidency, démarches in several States to promote the Treaty's entry into force.	
	2005	The Netherlands sponsored the project " PTS International Cooperation and Outreach Activities ".	The purpose of the project was to enhance understanding of the CTBT by government stakeholders in some non-ratifying States in selected geographical regions (Africa, Latin America and the Caribbean, and South-East Asia, the Pacific and the Far East), thus assisting in their domestic process of ratification of the CTBT.
Norway	September 2003 – July 2005	Norway, wherever appropriate, included the CTBT in political bilateral consultations with non-Annex-2 States .	
		Norway contributed with voluntary funds to outreach activities which have benefited non-Annex-2 States such as Eritrea, the Sudan and the United Republic of Tanzania .	
Ukraine	September 2003 – May 2005	Ukraine maintained regular contacts with non-Annex-2 Eastern European States that had yet to ratify the CTBT . During relevant meetings, Ukraine seized every opportunity to stress the importance of the Treaty's early entry into force and ratification by those States.

<i>1(b). Activities Relating to Non-Annex-2 States</i>			
United Kingdom	March 2004	Contacts were made with Saint Kitts and Nevis to facilitate a PTS visit there.	A PTS visit was facilitated. Saint Kitts and Nevis signed the CTBT on 23 March 2004 and ratified on 27 April 2005.
	March 2004	In advance of the Executive Secretary's visit, contacts were initiated with Dr Patricia E.J. Rodgers, Permanent Secretary, Ministry of Foreign Affairs of the Bahamas .	It was advised that signature and ratification of the CTBT by the Bahamas were under consideration. The Bahamas signed the Treaty on 4 February 2005.
	March 2004	In advance of the Executive Secretary's visit, contacts were made with Ms Theresa Marshall, Permanent Secretary, Ministry of Foreign Affairs of Barbados .	Barbados is sympathetic to the Treaty, but it is also concerned over the administrative burden inherent in international treaties.
	March 2004	In advance of the then planned visit of the Executive Secretary, an appointment with relevant authorities of Cuba was sought.	No response was received. The Executive Secretary's mission was postponed.
	March 2004	In advance of the Executive Secretary's visit, contacts were initiated with Mr Eden Charles, Foreign Service Officer, Ministry of Foreign Affairs of Trinidad and Tobago .	There was hope that Trinidad and Tobago would sign soon. The authorities expressed a particular interest in earthquake and meteorological monitoring.
	June 2004	Mr Eden Charles, Foreign Service Officer, Ministry of Foreign Affairs of Trinidad and Tobago , was contacted in a follow-up of the above mentioned visit of the Executive Secretary.	The papers for signature are now in the pipeline of the legislature. However, there is a substantial backlog. Trinidad and Tobago expressed interest in hosting a regional seminar on the CTBT.
	December 2004	Within the framework of the Executive Secretary's visit, various officials were contacted in Timor-Leste .	The UK assisted in arranging meetings and provided logistical support for the Executive Secretary's visit.
	2005	The United Kingdom promoted CTBT ratification in Vanuatu through, inter alia, the funding of a lawyer in the Vanuatu Department of Foreign Affairs to provide support with regard to a number of treaty ratifications, including that of the CTBT.	These efforts are nearing fruition, since the UK High Commission in Port Vila, Vanuatu, informed the Permanent Mission of the United Kingdom that the CTBT ratification bill was passed by the Parliament and only needed the President's Assent – a formality, which is expected soon.

Azerbaijan	13-14 December 2004	Azerbaijan hosted the Expert Follow-Up Meeting on the Establishment of a Regional Cooperation Centre for CTBT Purposes for States from Central Asia and the Caucasus . Twenty-three representatives from the following nine States participated in the meeting: Azerbaijan, Georgia, Kyrgyzstan, the Republic of Moldova, the Russian Federation, Tajikistan, Turkey, Ukraine and Uzbekistan .	The meeting provided a forum to exchange information and experience on the effective implementation of the CTBT, and to discuss the possibility of establishing the projected Regional Cooperation Centre.
	25-27 March 2005	Azerbaijan hosted a Workshop on CTBTO International Cooperation for States from Central Asia and the Caucasus . The workshop was attended by representatives from eight States in the subregion: Azerbaijan, Georgia, Iran (Islamic Republic of), Kyrgyzstan, the Republic of Moldova, the Russian Federation, Turkey and Uzbekistan .	The workshop raised awareness of the CTBT and fostered cooperation among participating States through exploration of avenues to promote the Treaty in the subregion. On the margins of the workshop, the Executive Secretary met with the President of the Republic, the Minister of Foreign Affairs and the President of the National Academy of Sciences. All reiterated Azerbaijan's full support for the Treaty.
Brazil	November 2003	Brazil co-sponsored resolution CG/Res. 449 entitled <i>Comprehensive Nuclear-Test-Ban Treaty</i> , which was adopted by the Agency for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (OPANAL) .	
	8 June 2004	Within the framework of the Organization of American States (OAS) , Brazil co-sponsored resolution AG/RES. 2008 (XXXIV-O/04) entitled <i>Inter-American support for the Comprehensive Nuclear-Test-Ban Treaty</i> .	The resolution recognized, inter alia, "the value of the [CTBT] in strengthening nuclear nonproliferation and disarmament regimes and its contribution to the consolidation and maintenance of international peace and security". It further reaffirmed the "need for universal adoption of the CTBT" and "urge[d] States of the Hemisphere to implement" measures adopted at the 2003 Article XIV Conference, as well as to sign and ratify the CTBT, for those that had not yet done so.

Canada	2004	In the North Atlantic Treaty Organization (NATO) , Canada advocated the alliance’s support for the ratification, early entry into force and full implementation of the CTBT.	This is reflected in the updated 2004 NATO Fact Sheets, which “lay out the determination and realism demonstrated by [NATO members] in their pursuit of a wide-ranging and ambitious arms control agenda, as an integral part of NATO security policy”.
	8 June 2004	Within the framework of the Organization of American States (OAS) , Canada co-sponsored resolution AG/RES. 2008 (XXXIV-O/04) entitled <i>Inter-American support for the Comprehensive Nuclear-Test-Ban Treaty</i> .	The resolution recognized, inter alia, “the value of the [CTBT] in strengthening nuclear nonproliferation and disarmament regimes and its contribution to the consolidation and maintenance of international peace and security”. It further reaffirmed the “need for universal adoption of the CTBT” and “urge[d] States of the Hemisphere to implement” measures adopted at the 2003 Article XIV Conference, as well as to sign and ratify the CTBT, for those that had not yet done so.
	7 June 2005	Within the framework of the Organization of American States , Canada co-sponsored draft resolution AG/RES. 2111 (XXXV-O/05) entitled <i>Inter-American support for the Comprehensive Nuclear-Test-Ban Treaty</i> .	The resolution restated the same support for the CTBT as resolution AG/RES. 2008 (XXXIV-O/04).
Germany	September 2003 – May 2005	In the European Union and in the North Atlantic Treaty Organization , Germany advocated support for the early entry into force and full implementation of the CTBT.

Mexico	November 2003	Mexico co-sponsored resolution CG/Res. 449 entitled <i>Comprehensive Nuclear-Test-Ban Treaty</i> , which was adopted by the Agency for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (OPANAL) .	
	8 June 2004	Within the framework of the Organization of American States , Mexico co-sponsored resolution AG/RES. 2008 (XXXIV-O/04) entitled <i>Inter-American support for the Comprehensive Nuclear-Test-Ban Treaty</i> .	The resolution recognized, inter alia, “the value of the [CTBT] in strengthening nuclear nonproliferation and disarmament regimes and its contribution to the consolidation and maintenance of international peace and security”. It further reaffirmed the “need for universal adoption of the CTBT” and “urge[d] States of the Hemisphere to implement” measures adopted at the 2003 Article XIV Conference, as well as to sign and ratify the CTBT, for those that had not yet done so.
	April 2005	Mexico hosted the Conference of States Parties and Signatories of Treaties that establish Nuclear-Weapon-Free Zones and sponsored the <i>Declaration</i> of that conference.	Paragraph 23 of the Declaration states: “We reiterate our position for the total elimination of all nuclear testing and stress the significance of achieving universal adherence to the Comprehensive Nuclear Test Ban Treaty, including by all Nuclear Weapon States, which inter alia, should contribute to the process of nuclear disarmament. We highlight the importance of maintaining a moratorium on nuclear-weapon-test-explosions or any other nuclear explosions pending the entry into force of that Treaty. We reiterate that if the objectives of the Treaty were to be fully realized, the continued commitment of all signatories, especially the Nuclear Weapon States, to nuclear disarmament would be essential.”
